Introducing Bloomfield's Violet IV, a stunning two-story sanctuary highlighted by a beautiful brick and stone elevation with charming gables. The wide foyer entrance and tall ceilings set an elegant tone, leading to a connected Family Room and Signature Series Kitchen, where high vaulted ceilings create a sense of grandeur. The Kitchen impresses with upgraded appliances, custom painted cabinets, sleek Quartz and Granite countertops, and a gas cooktop, while ample storage includes a walk-in pantry and spacious Laundry Room with a mud bench. Wood-look flooring flows throughout, complementing the bright ambiance created by white cabinetry and thoughtfully placed window treatments. The inviting Family Room centers around a striking Stone-to-Ceiling Fireplace with wood-burning abilities, adding warmth and character. The Primary Suite offers a luxurious retreat with its own ensuite walk-in closet and bath featuring a garden tub, separate shower, and dual sinks for a spa-like experience. A Deep Garage provides additional storage, while outdoors you'll find stone-edged flower beds, a full irrigation system, and a sprinkler system. Enhanced by an 8' Front Door, blinds, and access to fantastic community amenities such as a fitness center, trails, park, and playground, this exquisite home offers both comfort and convenience.
