Bloomfield's Violet IV is a contemporary two-story that offers 4 bedrooms, 3.5 baths, a Media Room, a Game Room, and a Covered Back Patio, all enhanced by thoughtful upgrades throughout. Step inside to a wide foyer entrance, complemented by tall vaulted ceilings and sleek Wood-Look Tile floors that extend through much of the home, including a private Study. The open-concept Family Room and Deluxe Kitchen feature a two-story overlook from the Game Room above, showcasing upgraded glazed cabinets, Signature Series stainless steel appliances, and ample storage, from a walk-in pantry to pot and pan drawers. Granite and quartz countertops are found throughout, adding elegance to every space, while a stunning stacked stone-to-ceiling fireplace in the Family Room serves as the perfect centerpiece. The home also includes a deep garage, 2" faux wood blinds, a mud bench in the utility room with uppers for added storage, and a fully bricked front porch framed by an 8' front door, adding to its modern curb appeal.
