Bloomfield's Hawthorne presents a charming single-story layout boasting 4 bedrooms & 2 baths with contemporary upgrades. Step inside to discover the beautiful Laminate Wood floors and the stunning Granite countertops throughout the home. The Deluxe Kitchen boasts its spacious island, built-in all-gas SS appliances, and a delightful wood vent hood. Retreat to the Primary Suite, where ample space welcomes a king bed with ease, while the additional 3 rooms offer versatile options to suit your needs. Noteworthy features include a Covered Rear Patio for outdoor enjoyment, Gutters for added convenience, and a custom 8' front door. Don't overlook the Tile-to-Ceiling Fireplace with gas starter extending to the raised ceiling in the Family Room, and the beautiful study at the front, offering a serene space for work or relaxation. Be sure to visit Bloomfield's model in Sunset Ridge to experience the charm of the area and explore this inviting home firsthand!
