Nestled in a serene cul-de-sac, the Bloomfield's Hawthorne floor plan stands as a testament to effortless elegance. This popular single-story abode boasts a commanding brick and stone facade, welcoming residents through a beautiful 8' front door. Interior features a Study with inviting glass doors, offering a perfect space for work or relaxation. Deluxe Kitchen awaits with Granite countertops and SS appliances, catering to culinary enthusiasts. Upgrade flooring, including Laminate Wood, Tile, and Carpet, adds a touch of luxury underfoot. Bathrooms adorned with Granite accents provide refinement, while the open floor plan bathes the home in natural light, creating an inviting ambiance. Step outside to the Covered Patio, where fully landscaped surroundings invite peaceful moments outdoors. Stained fencing and gutters, along with energy-efficient features, ensure durability and sustainability. Don't miss out on this exceptional home and call or visit at West Crossing.
