Bloomfield Home's Hawthorne I plan brings family and function into one fabulous single-story home. Predominately STONE, the front exterior boasts an 8' Mahogany door with iron and glass, a CEDAR garage door, and lush landscaping. This open-concept plan, extending from the kitchen and nook through to the Family Room, provides a SPACIOUS gathering area with a STACKED-STONE fireplace and picture windows. Cook for a crowd in this Deluxe Kitchen with a built-in stainless steel DOUBLE oven, GAS cooktop, wood vent hood, stunning backsplash mosaic, and separate BUFFET and DESIGNER quartz tops. The inside presents a Soft, Warm color palate with durable WOOD-LOOK TILE flooring, DESIGNER bath tiles, and plush carpeting. Enjoy outdoor entertaining in your spacious backyard with a covered back patio and a GAS DROP for grilling. Also – 2" Faux wood blinds, full RAIN GUTTERS, and 6' stained wood fencing with metal posts and 2 gates. You'll love this quiet street with friendly neighbors, a pool, a playground, and A-rated Joshua schools!
