Bloomfield's Cypress floor plan is a stunning single-story home featuring 4 bedrooms and 2 baths, designed for both comfort and elegance. This plan includes a covered porch and patio, a large family room, a versatile study; and an open kitchen equipped with custom cabinets, an island, Quartz counters, pot and pan drawers, gas cooking on stainless steel appliances, and a walk-in pantry. Upgraded Laminate wood floors extend throughout the home, enhancing its sophisticated appeal. All-brick front elevation and 8' front door add to its curb appeal. The Primary Suite accommodates a king-sized bed and boasts a tall walk-in closet for ample storage, with an ensuite bathroom offering a soaking tub, separate shower, and dual sinks. Situated on an interior lot with a full irrigation system, including sod and sprinkler system, this home ensures lush surroundings. Additional storage solutions include a walk-in pantry, a built-in buffet, large closets, and a dedicated laundry room. Other features of the community include a park and playground.
