The Dogwood from Bloomfield is a single-story home featuring a bright and open layout, a Formal Dining Room, 3 bedrooms, and 2 full baths. Contemporary finishes throughout include Wood-look Vinyl floors in main areas, brushed nickel fixtures, granite countertops, and stainless steel appliances in the island kitchen, with windows lining the whole space to fill it with light. Plenty of curb appeal is provided by a gorgeous brick and stone façade with upgraded materials, a 3-car garage, fresh landscaping, and a huge covered front porch! The Primary Suite is tucked away in the back of the home. Hosts the perfect reading spot at the window seat, a lovely attached bath with a garden tub, a separate shower, and a spacious walk-in closet. Another covered outdoor space at the back patio overlooking the fenced yard so you can enjoy fresh air in peace. Don't forget to ask about the energy-efficient elements that come with every Bloomfield home. Available to tour today - Come visit Bloomfield at East Oak Creek!
