Move in immediately! Cypress plan from Bloomfield recently finished. From the moment you pull up to this large homesite, you'll notice this handsome brick home with a standout bay window and contemporary finishes. Inside you'll find rooms full of natural light from extensive Low-E picture windows, including a private Study and open-concept kitchen, dining, and family room. Pristine kitchen layout for entertaining, all centered around a large island with room for barstools, plus a buffet off the kitchen offers even more storage and counter space! The Primary Suite has a retreat experience at home with a great ensuite bath and tall walk-in closet. Other highlights include the peaceful Covered Rear Patio, premium landscaping package and fencing, stainless steel kitchen appliances, and the Game Room. Residents in Heartland can enjoy a pool with resort slides in the summer, a fitness gym, trails, and more! Come visit to tour this popular Bloomfield single-story plan and explore the amazing community.
