Welcome home to one of Bloomfield's most popular cottages from our Elements series - The Camellia. With modern finishes, wide hallways, and large windows that fill the home with sunlight, this cozy abode is anything but ordinary. The Primary Suite offers luxurious comfort with a Deluxe Bath featuring a separate shower, garden tub, and dual sinks. Exotic granite countertops in the kitchen add to the home's elegance, complemented by energy-efficient features throughout. The heart of this home is its modern kitchen, equipped with a wall of flat-panel cabinets, a coffee bar station, a gas range, stainless steel appliances (including glass and stainless steel vent hood), a massive pantry, and an island perfect for barstools. Adjacent to the kitchen is a charming dining nook with window seating, ideal for enjoying meals with natural views. Don't forget to ask about energy-efficient elements that come standard in every Bloomfield home! The community offers a park, pool, lake, and more. Visit Bloomfield at Heartland!
