Bloomfield Homes' Redbud is a contemporary single-story gem designed for modern living. Featuring 4 comfortable bedrooms and 2 baths, this fashion-forward home offers an inviting Family Room that seamlessly flows into a dream island Kitchen, complete with built-in stainless steel appliances, Granite countertops, and a sleek glass vent hood. The spacious Primary Suite, tucked privately at the back, is a true retreat with two walk-in closets and an ensuite Deluxe Bath. Enhanced with on-trend engineered hardwood floors, upgraded tile in Bath 1, and an extended back patio perfect for outdoor relaxation, every detail is thoughtfully designed. Convenience is prioritized with a centrally located laundry room, a full 2-car garage with mud bench entry, and gas appliances, including a tankless water heater. The home's exterior impresses with a fully fenced backyard, sprinkler system, and beautifully landscaped stone-edged flower beds. In a vibrant community with a lake, park, playground, and pool, this home offers style and comfort. Visit Bloomfield at Heartland!
