Bloomfield's Hawthorne plan provides the best of both worlds - traditional spaces, private bedrooms, and a bright, open-concept living area with a 12' vaulted ceiling. An elegant foyer greets you after entering through the 8' ornamental glass front door, bordered by dual doors to a dedicated Study (or use flexibly as formal dining, etc.). On-trend RevWood floors take you into the home's gathering spot, where a Gourmet Kitchen sits around an island and windows line the length of the exterior! Plus, a cozy Stone Fireplace was added in the corner, and quartz countertops adorn the kitchen and Breakfast Nook buffet. The Primary Suite is an impressive size with plenty of room for a king bed and a 5-piece ensuite bath that includes a bench seat shower. 3 secondary bedrooms are located towards the rear of the home, with 2 enjoying backyard window views. Covered Rear Patio, sprinkler system, tankless water heater and plenty more. Call Bloomfield today!
