Bloomfield's Violet IV floor plan hosts an open-concept layout with a vaulted Family Room which heightens the feel of the space. The Prime Corner location with an all-brick exterior, an 8' front door with 5-Lite rain glass panels, and a front porch welcoming you! Features 5 bedrooms and 4 baths, with bathrooms either directly connected or right outside the bedrooms. Tons of entertaining space in the Game and Media Room, both inviting you to stay awhile. Trendy finishes like beautiful Laminate floors in common areas and large windows create a welcoming vibe. The Deluxe Kitchen has lots of style with hardware on all Upgraded cabinetry, a large island, a spacious walk-in pantry, built-in SS appliances, and a gas cooktop! The home features a second-floor overlook, extensive storage, Mud Space in the Laundry Room, Window Seats, a Tankless Water Heater; and an inviting covered Patio with views of the backyard.
