Bloomfield's most popular single-story home promises to check off all the boxes on your list! 4 bedrooms, 2 baths, and a combined living space that seamlessly flows with a Deluxe Gourmet Kitchen, dining, and Family Room - all lined by upgraded laminate wood floors and complemented by granite countertops. The Family Room boasts a cozy tile fireplace with a gas starter perfect for chilly evenings. The spacious Primary Suite accommodates a king-sized bed and includes a tall walk-in closet for ample storage! The ensuite bath features a soaking tub, a separate shower, and dual sinks. Towards the rear of the home, 3 additional bedrooms share a well-appointed bath. The walk-in pantry adds both convenience and elegance, while the kitchen backsplash features upgraded ceramic tile. The home also includes blinds and a custom 8' front door. Nestled in a beautiful community with trees and a creek, this home offers access to hike and bike trails, as well as nearby golf, shopping, and restaurants. Visit Bloomfield at Homestead at Daniel Farms!
