Bloomfield's most popular plan, the Carolina IV, has something for everyone and sits on a Premium, Oversized homesite. Inside there are 3 bedrooms on the first floor, including a massive Primary Suite; the biggest bedroom is upstairs with 2 closets and full bath right outside. The Game Room and Media Room upstairs offer great spaces for entertaining, plus there's a Tech Center desk great for many uses (bar, homework space, etc). Hand-scraped Hardwood floors adorn downstairs common areas. Open Family Room showcases a classic Stone-to-Ceiling Fireplace with Gas Logs and sits gracefully off the Deluxe kitchen and Breakfast Nook. The Kitchen provides gas cooking on stainless steel appliances and plenty of upgrades; Granite countertops, Double Ovens, and trendy backsplash. You also have all the joys of a 3-car garage, Rotunda Foyer, private Study, Formal Dining, window seats, Extended Covered Patio, Lighting and the list goes on! Open every day for tours, come visit Bloomfield at Homestead!
