Side-entry garage plan from Bloomfield Homes on a QUARTER-ACRE homesite! Huge yards give you privacy & peace of mind, plus fully fenced and upgraded exterior selections to improve the curb appeal. Inside holds an open-concept layout with the Primary Suite and 2 bedrooms downstairs, and a cozy Game Room loft upstairs with a neighboring bedroom & bath. Versatile Study off the elegant foyer can be used as a Formal Dining, while the dining space in the common area is bordered by a buffet and a kitchen island that's perfect for barstools. Upgrades in the Deluxe Kitchen add pot & pan drawers, wood vent hood, built-in SS appliances (all gas!), and extensive storage from custom cabinets! Quartz countertops and tile floors allow you to keep a tidy home effortlessly, while energy-efficient features throughout help your wallet long term. Other highlights of this two-story include a tech center desk, cedar garage door, covered rear patio, and gas water heater! Visit today for a tour, open daily.
