Bloomfield's Primrose FE is an exceptional single-story home featuring 4 bedrooms and 3 baths, including a second Primary Suite with a full shower in the ensuite bath and walk-in closet. A striking brick and stone facade, enhanced by uplights and an 8' Warwick front door, creates unmatched curb appeal. Inside, the rotunda entry and vaulted ceilings set an elegant tone, while soaring 20' ceilings in the living room and a Stone-to-Ceiling Fireplace with a cedar mantel make the Family Room a showstopper. Sunlight pours into the spacious living area, where cozy window seats add charm. The Deluxe Kitchen impresses with Charleston Pure White cabinetry, a pot filler, herringbone backsplash, under-cabinet lighting, Granite countertops, upgraded finishes, and stainless steel appliances, including a gas cooktop. Additional highlights include upgraded flooring throughout, a mud room, and a tankless water heater for modern efficiency.
