Bloomfield's Dewberry III plan offers an eye-catching brick & stone-accented exterior with a balcony, a 2-car garage, and a stately 8' Iron & Wood front door with an all-included landscaping package. This plan offers 5 spacious bedrooms and 3.5 baths. Enter to find a bright foyer with Glass French Doors to a Study and a staircase leading upstairs to the Game Room with a Tech center. You'll love the wood-look tile flooring, large windows, and a stone-to-ceiling fireplace with a gas starter to make you feel at home. The Deluxe Kitchen features a massive island, gorgeous granite countertops, pendant lights over the island, gas cooking on built-in SS appliances, and a Texas-sized pantry! The backyard is the perfect blank canvas ready for you to turn into your personal oasis with an Extended Covered Patio and Gas stub to connect your grill. Situated on an interior, greenbelt lot in an amenity-filled community. Contact us or visit our model home in Copper Creek to learn more!
