Bloomfield's Rose II presents an open-concept plan designed for seamless living, boasting a soaring ceiling in the Family Room and window-lined living spaces that bath the interior in natural light. This home offers an expansive Game Room with an attached Media Room, a first-floor Primary Suite for added convenience, and a great backyard oasis complete with a Covered Patio. Enhanced finishes elevate the home's allure, including exotic Wood-look Tile floors in common areas, a Stone-to-Ceiling Fireplace with a gas starter; and a spacious Deluxe Kitchen featuring custom cabinets, beautiful Granite countertops, pendant lights, built-in SS appliances, and White Subway Tile backsplash. With additions like 2" faux blinds and a sizeable mud laundry room, you'll feel like every detail was thought of! Experience upgrades like a fully bricked front porch and an iron and wood 8' front door, along with convenient features like gutters and a gas stub for your grill. Visit our Copper Creek model to explore turning your dream home into reality!
