Spacious & open 4 bedroom single-story with a Media Room, Covered Rear Patio, and a gorgeous Gourmet Kitchen! Thoughtful selections add value and elegance to this home like Wood-look Tile floors in common areas and a contemporary Tile Fireplace in the Family Room. The exterior is just as impressive thanks to a unique stone & brick façade with architectural elements, which also continue as you venture inside like a rotunda entry, art nooks, arched doorways and cutouts, and more. 3 roomy secondary bedrooms are located on the opposite side of the home from the massive Primary Suite. Easily use as flex spaces to fit your stage of life, whether you require a nursery, gym, or a home office. In the kitchen, find dazzling exotic granite countertops and built-in SS appliances - even a gas cooktop with a wood vent hood! Plenty of storage can be found throughout, and every Bloomfield home comes with energy-efficient features. Come see Bloomfield at Hulen Trails to tour.
