Introducing the Violet IV floor plan, a stunning two-story home designed for modern living with 5 bedrooms and 4 baths. Its impressive brick and stone facade is complemented by an elegant 8' glass and iron Warwick front door, setting the stage for a beautifully crafted interior. The spacious Family Room boasts soaring ceilings and a striking Tile-to-Ceiling Fireplace with a taupe polished 12x24 tile surround and a warm cedar mantel, creating a cozy yet sophisticated ambiance. Laminate wood floors enhance the main living areas, while the Deluxe Kitchen shines with Quartz countertops, Shaker-style cabinets, pendant lighting, and an upgraded 6-inch arabesque backsplash. A generously oversized pantry offers ample storage, while the mud room provides added convenience. The Primary Suite is a true retreat with a luxurious ensuite featuring Quartz countertops, a garden tub, and a walk-in closet. Secondary baths are finished with Granite for added elegance. Upstairs, the versatile Game Room and Media Room provide perfect spaces for entertainment. Practical upgrades like a tankless water heater complete this exceptional interior lot home. Contact us or visit Bloomfield's model home in Hulen Trails to experience this remarkable design firsthand!
