Bloomfield Homes' Laurel Plan is a lovely one-story hosting 3 bedrooms and 2 baths with nice touches throughout. Homesite backs to a greenbelt in our Hulen Trails community, which is near the local elementary school and has amenities like a pool, playground & trails. Enjoy exterior upgrades like an 8' glass & iron-accented front door and an extended patio. This home has upgraded Laminate Wood floors in the main living areas that give you the look of the real thing without the upkeep! The dining area & the kitchen face the family room for a nice floor space flow. The kitchen is equipped with timeless granite surfaces, gas SS appliances, a matching glass vent hood, a large island workspace, a pantry, and modern cabinets. Expansive Primary Suite is more than spacious and the ensuite bath has a shower and oversized walk-in closet! The other 2 bedrooms are situated on the opposite side of the home, allowing for privacy. Secondary bedrooms share a hall bath. Bloomfield Homes invites you to visit Hulen Trails today to learn more about this home.
