Contemporary Bloomfield Home inside & out with a sun-lit open layout on a perfect corner homesite. Nearby to schools and community entrance for quick commutes. This fashion-forward single-story holds 4 comfortable bedrooms and a dream island kitchen with extensive storage! Laminate Wood floors line all common areas giving you easy clean up, and gas appliances including a tankless water heater are highly sought after! The kitchen includes granite countertops and all appliances except the fridge, even a modern glass vent hood! Bedrooms are well placed to encourage flexible use, while the Primary Suite is privately located towards the back of the home with 2 closets and a large shower. All essentials come with the house, like a full 2-car garage with mud bench entry, a dedicated laundry room with space for a full-sized set, a sprinkler system, backyard fencing, and a landscaping package with stone-edged flower beds in the front. Open for tours every day!
