Impressive enhancements made to this home include a 2.5-car garage with room for storage, double ovens, a Study with glass French doors, full gutters, and 2" faux wood blinds. And the finishes are fashionable for a range of tastes with painted white Shaker cabinets, sparkling quartz surfaces, scratch-resistant chestnut laminate wood floors, and upgraded tile selections! The exterior will also be a contemporary color palette of white brick & stone with dark grey trim. Residents in Wildflower Ranch love the Lazy River, Playground & even maintained wildflower fields in the spring! Come by to see all this new build offers.
