Discover the Violet II by Bloomfield, a stunning 4-bedroom, 3-bath home on an oversized corner lot that combines elegance and practicality. The Family Room impresses with a soaring ceiling, horizontal rod iron railing overlook, and abundant natural light, while the upstairs Media Room and Tech Center provide ample space for work and play. The Kitchen is a chef's dream, centered around a huge island with stainless steel appliances and Charleston pure white cabinets, all framed by sleek Granite and Quartz countertops throughout. Modern conveniences abound, including a tankless water heater, blinds, gutters, and gas drop for grilling. Spacious Primary Suite is a true retreat, featuring a luxurious tub and separate shower, while Bath 4 has been upgraded with a shower in place of a tub. The home's exterior exudes curb appeal with all-brick elevation, a bricked front porch, and an 8' 4 Lite Custom Front Door. The Covered Rear Patio completes this home's perfect blend of indoor and outdoor living. Visit Bloomfield at Wildflower Ranch today!
