Bloomfield's Hawthorne II boasts exceptional curb appeal with a brick and stone accented exterior, a 3-car garage, and a bricked front porch. Entering through the grand 8' front door, you're welcomed by a Formal Study with glass French doors and extensive L6 wood flooring. The open-concept layout features a Deluxe Kitchen with L2 quartz countertops, all-gas stainless steel appliances, a spacious island with pendant lights, and a built-in buffet, flowing seamlessly into the Family Room. This area includes vaulted ceilings with stained beams, a stacked stone-to-ceiling fireplace with a cedar mantel, and large windows that brighten the space. The Primary Suite offers a serene retreat with a sitting area, luxurious 5-piece ensuite, and walk-in closet. Downstairs, two additional bedrooms share a full bath, while a third bedroom and full bath are privately situated upstairs off the Game Room. Enhancements include a gas stub on the back patio, exterior uplighting, and a fiberglass garage service door. Visit Bloomfield at Hampton Park to learn more about this gem!
