Bloomfield's Cypress II is a stunning 1.5-story home that combines luxurious craftsmanship with thoughtful design, set on an oversized interior lot with a scenic park view and no neighbor behind. The striking brick and stone facade, enhanced by black exterior paint on the garage and trim, creates impressive curb appeal, while uplights add a touch of elegance. Step through the 8' 6 Lite front door into a beautifully appointed interior featuring upgraded flooring throughout. The sophisticated Study with glass French doors offers a quiet workspace, while the open Family Room invites relaxation with a charming window seat and large windows that fill the space with natural light. The chef-inspired Kitchen boasts custom Shaker cabinets painted black, a striking herringbone backsplash, a trash pull-out for added convenience, and Level 4 countertops that elevate the design. Granite countertops continue in the kitchen, while Quartz enhances the Primary and secondary baths. The spacious Primary Suite is a private retreat, complete with a cozy sitting area and a spa-like bath. Upstairs, a Game Room, private bedroom, and full bath provide flexible living space. The 2.5-car garage offers added storage, and the large backyard offers ample room to enjoy outdoor living with proximity to the community gym, clubhouse, and basketball court.
