Bloomfield Home exudes curb appeal with its Stone and Brick façade, bricked porch, and elegant 8' Warwick Front Door, further enhanced by uplights that beautifully highlight the exterior. Inside, the foyer introduces Study with glass French doors, perfect for working from home, while upgraded flooring, including Wood-look Laminate, flows seamlessly throughout. Open-concept Family Room, anchored by a stunning Stone-to-Mantel Fireplace with cedar mantel, leads to a Deluxe Kitchen, where upgraded granite surfaces, custom cabinets, and a large island create a sophisticated and functional space. The Primary Suite, strategically located for privacy, offers an ensuite bath with dual sinks, a garden tub, and a separate shower. Situated on an oversized interior lot, this home also features a spacious backyard near a community gym and clubhouse, and a shaded Covered Patio ideal for hot Texas days. The oversized 2.5-car garage adds practical storage to this beautiful home. Stop by Bloomfield at Maplewood to learn more!
