The Dogwood from Bloomfield Homes provides 3 bedrooms, 2 baths, a private Study, and a gorgeous open-concept living space with Laminate Wood floors. Upgraded Brick elevation with a great Covered Front Porch and a Covered Patio in the back, giving you two large outdoor spaces ready to be transformed on over a half-acre! The Family Room is bright and open with walls lined with Low-E windows, and you can enjoy the coziness of a real fire from the Stone-to-Ceiling Fireplace with a live-edge cedar mantel. The charming kitchen comes with SS appliances, a large island workspace, and sparkling quartz countertops. Plus, a buffet in the dining space has extra storage and surface space! Spacious Primary Suite has a window seat, walk-in closet, and a 5-piece bath. Not only is the homesite over half an acre, but it also comes with fresh sod, a full sprinkler system, and professional fencing. Call or Bloomfield at Coyote Crossing today to find out more about this stunning home!
