Huge home on a huge, half-acre homesite, this premier Primrose FE VI offers the best of Bloomfield! Elegant design from the moment you enter through the 8' front door, like a Rotunda foyer, an open Formal Dining Room with exposed wrought iron spindling at the Game Room overlook above, and a sunlit Family Room featuring an 18' Stone Fireplace. Laminate Wood floors, quartz surfaces in baths and utility, Mud Room cabinets, and Glass French Doors at the Study are some of the selections that promise timeless value. The heart of the home is the Deluxe Kitchen boasting exotic granite countertops, built-in appliances; and upgraded cabinetry to add pot and pan drawers, a wood vent hood, and a trash can pull out next to the sink. Whether you're sharing your day over a glass of wine at the island, watching a sunrise from the Covered Back Patio, or watching the game with friends in the Media Room, this home has a space for every special moment! Much more to see, stop by Bloomfield at Coyote Crossing to tour.
