NE This beautifully crafted single-story home combines contemporary design with timeless elegance on the interior lot with a park view and a 2-car garage. As you approach, the brick and stone façade and 8' front door set the stage for what lies within. Inside, expansive windows and tall ceilings enhance the open-concept layout that creates a bright and airy ambiance throughout the large Family Room, which features a striking Stone-to-Ceiling Fireplace. Deluxe Kitchen, complete with Quartz countertops, custom cabinets, a gas cooktop, and a wood vent hood, flows seamlessly into the living space. The addition of pot and pan drawers offers practical elegance. The Primary Suite is a serene retreat with window seats and an ensuite bath, plus the home also includes a Powder Bath conveniently located by the closet. With a Covered Porch, Covered Patio, mud room, tankless water heater, and professional full landscaping that includes trees, plants, stone edging, and a sprinkler system, every detail has been thoughtfully designed.
