Explore Bloomfield's Rockcress floor plan, featuring 4 bedrooms & 3 baths, perfectly positioned next door to a greenbelt at the end of a cul-de-sac. The Deluxe Kitchen, adorned with white cabinets & upgraded quartz countertops, sets the stage for culinary delights. Also has a 5-burner gas cooktop, wood vent hood, pot & pan drawers, and a roomy island! NO CARPET - decorative tile flooring throughout is easy to upkeep & great for allergies! The Primary Suite is tucked away privately and has an Enlarged Shower in lieu of a tub for a spa-like experience at home! The Junior Suite at Bedroom 4 has its own private bath, while the other 2 bedrooms share a hallway bath and are located near the laundry. Valued upgrades like a stained wood garage door, 2" faux wood blinds, a stately 8' front door, and a Stone-to-Ceiling Fireplace with a cedar mantel add beauty to every corner. Don't miss the opportunity to make this exceptional home yours—contact us or visit our model home at Star Ranch today to learn more!
