The Willow II by Bloomfield is a bright & efficient two-story with 4 bedrooms, 3 baths, and a contemporary kitchen that flows into the dining & living space. Primary Suite & 2 bedrooms located downstairs for easy living. Upstairs you'll find a Game Room, a fourth bedroom, and a third bath creating a private retreat. Laminate flooring throughout the common areas provides the look of wood without the upkeep. Modern Kitchen boasts a large center island workspace, SS appliances, and beautiful Quartz surfaces. The Primary Suite was upgraded to include dual sinks at the vanity and tub. Additional upgrades include an Extended Rear Patio, blinds throughout, and French Doors at the Study. Other details include a Laundry room near the garage, multiple energy-efficient features, an 8' front door, and a fully fenced backyard. One more bonus, this home sits on an oversized corner lot. The community boasts trails, a playground, and a pond. Call the Bloomfield Model in Star Ranch today for more details about this lovely home.
