CAR GARAGE

This Hawthorne II sits on an interior homesite with a 3-car garage, a custom 8' front door, and vaulted ceilings that enhance the timeless elegance of its striking stone and brick elevation. Thoughtfully designed for both function and flexibility, the layout features luxurious wood flooring throughout the first-floor common areas and raised ceilings in the Family Room and Breakfast Nook that create a sense of airy openness. Three bedrooms are conveniently located downstairs, with a hall bath ideal for guests, while upstairs offers a spacious Game Room and an additional bedroom with its own full bath for added privacy. The gourmet island kitchen is a chef's dream, upgraded to a deluxe finish with pot and pan drawers, a wood vent hood, stainless steel appliances, double ovens, and a walk-in pantry. The Primary Suite is a secluded retreat, accessed through elegant dual doors, with a sitting area and a spa-inspired ensuite boasting dual sinks, an enlarged shower with a built-in seat, and a coveted walk-in closet. A dedicated Study with Glass French Doors is located just off the inviting foyer, ideal for working from home. Additional enhancements include quartz counters throughout, blinds, a tankless water heater, gutters, and a gas drop on the covered back porch—perfect for outdoor entertaining. Set within a vibrant community filled with trails, parks, and recreational amenities, this home is a rare find. Come experience Bloomfield at Timberbrook today!
