The Willow floor plan from Bloomfield Homes, in the Elements Series, is a thoughtfully designed single-story with an open layout that flows beautifully and includes a Private Study off the entry. With 3 bedrooms and 2 full baths, this home showcases contemporary finishes throughout, including Wood-look Laminate flooring in main areas and 2-inch faux wood blinds for added style and efficiency. The charming all-brick facade with a distinctive bay window elevation enhances curb appeal, while the Covered Back Patio extends the living space outdoors. The lovely kitchen is a chef's delight, featuring Quartz countertops, rich stained wood cabinets, an upgraded backsplash, and a sleek glass and stainless steel vent hood above the all-electric stainless steel appliances. Natural light floods the home through thoughtfully placed windows, creating a bright and inviting ambiance. The spacious Family Room remains open to the kitchen for effortless entertaining, while the secluded Primary Suite offers a private retreat with a luxurious ensuite bath, complete with an enlarged shower, linen closet, and a coveted oversized walk-in closet. Energy-efficient elements come standard in every Bloomfield home. Come visit the Bloomfield Model Home today at Georgetown at Kings Fort to learn more about this lovely cottage!
