Introducing Bloomfield's stunning Carolina floor plan, an exceptional residence boasting thoughtful design & modern features. This home offers 3 bedrooms plus a Study & Media Room, ideal for versatile living. Step inside through the inviting rotunda entry and take note of the charming covered porch & extra-large patio, perfect for enjoying outdoor moments. Spacious Family Room welcomes you with upgraded Wood-look Laminate Floors that lead seamlessly into an open, upgraded kitchen. Comes complete with custom cabinets, a center island, quartz countertops, and built-in SS appliances, including an electric drop-in range. The Primary Suite is a retreat with a walk-in closet and a spa-like bath. This home also features an oversized 2.5-car garage, fitting seamlessly on a larger home site. With an 8' Front Door adding to its appeal, this is a rare opportunity to own a beautifully appointed home in a desirable location. Experience Carolina floor plan—schedule your tour today with Bloomfield at Georgetown at Kings Fort!
