Introducing the exquisite Jasmine plan by Bloomfield, a testament to modern living with its spacious rooms, soaring ceilings, and abundant natural light streaming through expansive windows. This architectural marvel boasts a seamless fusion of elegance and functionality, featuring 4 bedrooms and 3 baths thoughtfully distributed across one level. Step into the inviting Family Room, adorned with a striking stone-to-ceiling fireplace, perfect for cozy gatherings. Gourmet Kitchen is a culinary enthusiast's dream, showcasing luxurious Granite countertops and Laminate Wood floors that exude sophistication throughout. Retreat to the lavish Primary Suite, complete with a generously sized walk-in closet and a spa-like ensuite offering a tub and separate shower for utmost relaxation. Outside, the charm continues with an 8' Front Door and meticulously landscaped grounds, enhanced by a state-of-the-art exterior lighting system.
