The beloved Carolina II plan offers 3 bedrooms and 2 baths on the first floor, with an expansive second level featuring a Game Room, Media Room, and Bath 3. Thoughtfully designed with timeless elegance, this home welcomes you with a rotunda foyer and showcases full tile floors in high-traffic areas, large windows that bathe the interiors in natural light, and a study with dual doors. The open-concept Family Room is anchored by a striking faux Stone-to-Ceiling Fireplace with a cedar mantel, while the Deluxe Kitchen impresses with upgraded all-electric SS appliances, custom cabinetry, Quartz counters, pot and pan drawers, and a spacious island with a sink. A charming Breakfast Nook with a buffet provides additional convenience, and the Formal Dining adds sophistication. Outside, the brick and stone facade enhances curb appeal, while an 8' front door, exterior lighting, and gutters add to the home's polished look. Enjoy an oversized premium homesite that backs up to a serene greenbelt, complete with a metal fence and an extended covered patio for outdoor living. A spacious 3-car garage offers ample storage, and the community amenities, including a playground, make this an unbeatable opportunity. Call Bloomfield at Hayes Crossing in Midlothian today to make this dream home yours!
