Elegant brick & stone exterior and a spacious interior offering 4 bedrooms and 3 baths, with 1 bed & bath upstairs off the versatile Game Room. As you step into the octagonal entry, you're greeted by a study with dual doors in one of Bloomfield's most popular plans. Features extensive windows, multiple first-floor bedrooms, and an open Family Room with a raised ceiling. The first floor hosts a huge Primary Suite with an enlarged shower. The Deluxe Kitchen is equipped with all-electric SS appliances, upgraded countertops, upgraded backsplash, a large island, ample storage with pot & pan drawers below the cooktop, sizable walk-in pantry, buffet at Breakfast Nook, pendant lights, and undercabinet lighting. Additional enhancements include a tech center, tile floors, a 2.5-car garage with cedar doors & room for storage, full gutters, 2" faux wood blinds, an 8' custom front door, and an interior lot with a park view.
