Discover the Violet II by Bloomfield Homes, a stunning north-facing residence located on an interior lot. This expansive 4-bedroom, 3-bath home is designed with modern elegance and functionality in mind. The interior features laminate flooring in the main living areas, enhancing durability and style, while large windows fill the space with natural light. The heart of the home is the Kitchen, complete with quartz countertops, stylish backsplash, Charleston cabinetry with convenient pot and pan drawers, gas cooktop, trash pull-out, and a spacious walk-in pantry—all highlighted by upgraded backsplash and under-cabinet lighting. The Violet II also offers an upstairs game and media room, perfect for entertainment and relaxation. Additional features include a Mud Room, a gas stub on the patio for grilling, gutters, and blinds throughout the home. Visit Woodstone today to experience all the exceptional upgrades and thoughtful details of the Violet III!
