Breathtaking from every angle, Bloomfield's Violet IV plan offers beauty, thoughtful design, and premium upgrades throughout, all set on a desirable homesite backing to open space with mature trees and a scenic walking area. The slightly pie-shaped lot, spanning 51' at the street and widening to 70' at the rear, enhances the sense of space and privacy. Inside, stunning wood-look tile floors flow through the downstairs common areas, complementing the soaring vaulted ceilings in the Family Room. A private Study sits off the entry behind an 8' front door, ideal for work-at-home days, while the well-appointed Kitchen boasts stainless steel appliances, a gas cooktop, custom cabinets, and a walk-in pantry. The first-floor Primary Suite provides a luxurious retreat with a spa-like bath and a generous walk-in closet. Upstairs, three additional bedrooms offer comfort, including one with a private bath. Outdoor living is elevated with an inviting covered patio, complete with a gas drop for grilling, while a sturdy metal fence frames the backyard's picturesque park view. An all-brick facade, uplighting, gutters, and a tankless water heater enhance the home's appeal. Enjoy resort-style community amenities like a pool and playground.
