Bloomfield's beloved Carolina one-story is a thoughtfully designed home offering 3 spacious bedrooms, 2 baths, and a seamless blend of style and functionality. A brick and stone front elevation with an extended front porch and an 8' front door welcomes you into the elegant rotunda entry, leading to an open-concept layout that includes a Media Room, a Study with glass French doors, and a spacious Family Room anchored by a stunning floor-to-mantel fireplace with gas logs. Luxurious upgrades like Wood-look Ceramic Tile throughout and upgraded Quartz countertops in the kitchen and baths elevate the home's appeal. The Deluxe Kitchen is a chef's dream with painted cabinets, a Deco tile backsplash, built-in stainless steel appliances including double ovens and a 5-burner gas cooktop, pot and pan drawers, a wood vent hood, a walk-in pantry, and a central island. The Primary Suite offers a private retreat with enough space for a king bed and sitting area, plus an ensuite featuring a soaking tub, a separate shower, and upgraded finishes. Large picture windows frame views of the fully landscaped oversized lot, complete with stone edging, trees, plants, uplights, stained fencing, and a gas stub for grilling on the covered back patio. Designed with energy efficiency in mind, the home features natural gas heating, a tankless gas water heater, and thoughtful touches throughout. Located in an amenity-filled community, this home is the perfect blend of beauty and practicality—call Bloomfield at The Oaks today!
