This home dazzles with a combination of white brick & abundant stone accents, creating exceptional curb appeal. Step inside through the elegant 8' front door to find stunning wood-look tile flooring throughout presentation areas, and an inviting Study perfect for remote work. The Deluxe Kitchen features double ovens, a 5-burner cooktop, upgraded granite countertops, and custom cabinets, while baths are elegantly finished with quartz countertops. The first-floor Primary Suite offers a luxurious bath with both a tub and a separate shower, complemented by a spacious walk-in closet. Upstairs, 3 additional bedrooms include one with a private attached bath. Enjoy a Family Room with vaulted ceilings, a mud bench in the utility room, and a covered patio ideal for outdoor relaxation. The extra deep garage accommodates trucks & SUVs, and the home includes full landscaping with a sprinkler system. Contact or visit Bloomfield at The Oaks today!
