Bloomfield's Hawthorne features 4 bedrooms and 2 baths in an open-concept, single-story layout. This home has a beautiful exterior combination of Stone and Brick complemented by an 8' Urban Front Door, a large bay window, gutters, uplights, and a cedar garage door. Inside you'll find contemporary enhancements like Laminate Wood floors extensively throughout presentation areas, glass French doors at the Study, exotic Granite countertops, and stained wood beams lining the raised Family Room ceiling. A cozy and classic Stone Fireplace was added to the Family Room with a live-edge cedar mantel. With a large island, neighboring buffet, Shaker cabinets, under counter lights, pantry glass door, and upgraded kitchen backsplash, the Deluxe Kitchen has plenty of counter space and storage; complete with built-in SS appliances and a wood vent hood. There's plenty of space in the Primary Suite for a king bed. At the Covered Rear Patio, convenience awaits with a ceiling fan and a gas drop for instantly firing up your grill.
