Introducing Bloomfield's Cypress II, a stunning 1.5-story home that combines luxury and thoughtful design, perfectly nestled on an interior lot with a striking brick and stone facade. Step through the grand 8' custom front door onto rich hardwood floors, leading to a private Study with double doors, perfect for work or relaxation. Spacious Family Room seamlessly connects to a chef's dream kitchen, complete with elegant custom cabinetry, sleek granite countertops, all-electric stainless steel appliances, pot and pan drawers, stylish wood vent hood, and a walk-in pantry for all your storage needs. The Primary Suite serves as a serene escape, enhanced by a cozy sitting area and expansive bay window that invites natural light, alongside a large walk-in closet. Designed with both aesthetics and convenience in mind, the home provides ample storage, including a buffet in Breakfast Nook. Upstairs, Game Room, private bedroom, and full bath create a versatile space ideal for guests or family. Stop by Bloomfield at Anderson Crossing!
