A beautifully designed two-story home that combines thoughtful design with luxurious features, offering 5 bedrooms, 3.5 baths, and multiple versatile spaces, including a Study and an additional room on the first floor perfect as a second study or media room. The striking exterior showcases a Stone and Brick elevation with stained wood doors on the spacious 3-car garage, complemented by an 8' front door that welcomes you into a home filled with elegance. Inside, the Deluxe Gourmet Kitchen impresses with double ovens, pot and pan drawers, a custom wood vent hood, and Quartz countertops, all centered around a large island ideal for casual dining or entertaining. The soaring vaulted ceilings and upgraded wood floors flow seamlessly through the main living areas, while the Family Room is anchored by a stunning wood-burning fireplace that reaches the ceiling, adding warmth and charm. A large laundry with a mud bench connects conveniently to the Primary Suite's expansive walk-in closet, and a Jack and Jill bath enhances the functionality of the upstairs layout. Situated on an oversized interior lot, this home boasts a great backyard and is perfectly located across the street from a park, with a covered patio featuring a gas stub ready for grilling, creating the ultimate setting for relaxation and outdoor enjoyment.
