This stunning, brand-new 2,103 square-foot Jasmine plan by Bloomfield Homes showcases a modern color scheme and a thoughtfully designed layout. The Primary Suite is privately situated away from the three additional bedrooms, providing a peaceful retreat. A convenient Powder Bath for guests, as well as two full bathrooms, add to the home's functionality. The Kitchen is a chef's dream with white quartz countertops, beautiful Champagne-colored cabinetry, electric cooking, and a large island ideal for seating. The expansive Family Room is a showstopper, featuring a wood-burning fireplace with tile that reaches the ceiling, paired with large picture windows that frame the view of the covered back patio. Throughout the common areas, you'll find wood-look tile, while plush carpeting adds comfort to the bedrooms. This home is set in a vibrant master-planned community offering a range of amenities including a pool, playground, walking trails, basketball court, and splash pad. Enhancements such as cedar garage doors, an 8-foot front door, window seating, and coverings further elevate the home's appeal. Located on a corner lot, this home is a true gem.
